

St. Valentine's day POEMS

HAPPY VALENTINE'S DAY!!

This is for you
On this special day
You opened my heart
Showed me the way.

I love you to bits
More than words can say
To my beautiful love
Happy Valentine's Day!

Pedro Henrique Gouveia and João Miguel Ferreira

Valentine of pink and red,
Special words of kindness said,
Small surprises, funny jokes,
Paper hearts and friendly notes.

The best part of this happy day
Is that I got a chance
To write a poem
This day!

Today is Valentine's Day
And love is in the air
I would like to kiss you!

St. Valentine's Day is a special day...
I want to celebrate it with you.
You are the main flower!

It's a special day
Stuffed with a lot of love
Everyone celebrates
With friendship and love!

If you really love that person,

Learn to wait.

Maybe you are not meant to be together for
today,

But meant to be in the future.

**Valentine's day is a sweet one
Giving out cards
And receiving them is so fun.**

**Flowers and hearts are the decorations,
A day to show you care
Is a reason for celebration.**

**Chocolates and candies are sweet presents too,
I love you, Valentine's Day,
HOW ABOUT YOU?**

*Time passes,
As circumstances change
We will all change,
But a **TRUE FRIENDSHIP**
Always remains the same,
Even in the face
Of new sceneries.*

TODAY IS VALENTINE'S DAY,

A CELEBRATION DAY,

LOVE THAT UNITES US,

AND I LIVE A BEAUTIFUL STORY

BY YOUR SIDE

Today is a day full of love,
to spend with the people we love the most
offering flowers and chocolates
as proof of love
All people should love
this day of forgiveness

Love is everything, it's everywhere,
In a simple hug, or a simple kiss.
Love is beautiful, it make us happy
That is why we didn't miss it.

All of us were loved,
By a friend, or by a family.
All of us have a friend or just an animal,
Who make us happy and special.
