

Merry Christmas!

"All I Want for Christmas Is You" is a song created by Mariah Carey and Walter Afanador, released in 1994. It was written with the goal of making a new Christmas song that sounded classic, joyful, and timeless, mixing pop music with the style of 1960s holiday songs. The meaning of the song is that Christmas is not about gifts or material things, but about being with the person you love — that's why the lyrics say that "all I want for Christmas is you."
